

DONORS NEEDED

We are recruiting healthy men and women to donate blood or other samples that will be used in laboratory research.

Who Can Participate?

Men and women between 18 and 62 years old, who

- weigh over 110 pounds,
- are in good general health,
- are not pregnant or planning pregnancy within the next 12 months,
- have no history of anemia,
- have no history of infectious liver disease (hepatitis), and
- have no history of alcohol abuse or intravenous injection drug use.

Interested?

- Contact the recruiters at the Clinical Trials Center at the Walter Reed Army Institute of Research in Silver Spring, MD, at the numbers below.
- We'll schedule you an appointment to come see us and learn more about the project.
- If you consent to participate, you will receive a no-cost medical evaluation that will include a brief history and physical exam, as well as a blood draw.
- If you are found eligible to participate, we will schedule you for donations at your convenience and based on the needs of the researchers. Most donations take only 15-20 minutes.
 - Financial compensation is provided.
