

Volunteer for a Malaria Study

Short Title: "A Clinical Trial of the PfSPZ Vaccine"

Principal Investigator: Dr. Judith Epstein

Malaria kills one child in Africa every 30 seconds.

Learn how you can **volunteer** in a research study to test safety in humans of an investigational **vaccine** designed to prevent **malaria!!**

The study will include blood draws, immunizations, and overnight stays. You may be eligible to **participate** if you are:

- ◆ 18-45 years of age
- ◆ In good general health
- ◆ Available to participate in a 12 month study

Compensation is provided
