

Volunteer for a Malaria Vaccine study

Purpose: Test a new investigational malaria vaccine to see if it is safe in humans and whether it can protect against malaria infection

You may be eligible to participate if you are:

- Between the ages of 18 and 50
- Available for study duration (~ 11 months)
- In good general health
- Have never had malaria

You will be provided:

- A no-cost health screening
- Compensation for your time and effort

Location:

Clinical Trials Center
Walter Reed Army
Institute of Research
Silver Spring, MD
